

Setup Guide

HP Color LaserJet Pro MFP 3301-3304/3388 series

Get help with setup

Find setup information and videos online.

hp.com/support

1 Power on

Plug in and power on. On the control panel, choose your language and country/region.

2 Load paper

Load Letter or A4 paper and adjust the guides.

Note: See **Reference guide** for more information on loading legal paper.

3 Connect printer

On the control panel, choose your connection method. If the printer will support multiple users, select Ethernet.

Ethernet

1. Connect an Ethernet cable from the printer to the same network as the computer.
2. Press “Continue” on the control panel to confirm the IP address. Continue with the steps on the control panel until you reach the home screen. Then go to the next section of this guide.

USB

1. Connect the USB cable to the port on the back of the printer and to the computer.
2. Continue with the steps on the control panel until you reach the home screen. Then go to the next section of this guide.

4 Install printer software

1. Go to hpsmart.com/download to download the HP software and print drivers.
2. Install software and complete setup.
